EDUCATION

Bachelor of Arts in Digital Media

University of Central Florida

Emphasis: Web Design

Major GPA: 3.9

PROFESSIONAL EXPERIENCE

Substitute Teacher
Kelly Services

February 2021 – Present

- Supervise 15–30 students daily during activities inside and outside of the classroom
- Communicate with faculty at various schools to ensure children safety and learning
- Follow detailed lesson plans constructed by absent teachers

SKILLS

Software:
- Adobe Photoshop
- Adobe Illustrator
- Adobe Dreamweaver
- Visual Studio Code
- Microsoft Word
- Canva
- WordPress
- Adobe XD

Languages:
- HTML5
- CSS
- JavaScript
- PHP
- MySQL
- React
- React Native
- Bootstrap

PROJECTS

Fresh Eats – PHP, MySQL
Spring 2021

- Designed the structure and the style of the website with HTML5 and CSS
- Integrated the use of PHP and MySQL to create functioning login, account creation, and account cancelation forms
- Applied input sanitization and validation to ensure user input was valid and secure
- Created a calendar and gallery employing PHP

Study App – React Native
Spring 2021

- Built and designed content for this Study App using React Native and React Native Elements
- Developed functionality of the app using React and JavaScript
- Utilized Visual Studio Code and Expo CLI to test and debug script

MyFlorida – WordPress, Canva, Illustrator
Fall 2022

- Facilitated the design for a redevelopment of Florida's official state portal and improved aesthetic and usability
- Diagnosed the site to pinpoint existing problems and create solutions for them
- Compiled design solutions that enhanced design accessibility by abiding by the WCAG while still implementing an elegant and functional user interface design
- Formulated a style guide that included pattern libraries to demonstrate to the client and ensure consistent styling

YouNite – Illustrator, MockFlow
Fall 2022

- Sketched and constructed an application icon for an imaginary app called YouNite through Illustrator
- Gathered images to compliment the aesthetic of YouNite to apply to a high fidelity prototype
- Assembled a high fidelity prototype for the YouNite mobile application utilizing MockFlow

AWARDS

- Think 30 Scholarship
- Knights of Distinction
  - Graduating with distinction after completing necessary activities to improve oneself
- Florida Bright Futures Medallion Scholar
- UCF Present's Honor Roll (4 semesters)
  - Earned a letter grade of all A's throughout all semesters at UCF

CAMPUS INVOLVMENT

- Retention and Intervention Team
  - Received Student Lead position on the=RIT team to help give student input on possible barriers in retention rates at UCF

- NSCM Mentorship Program
  - Sought out a mentor to help strengthen my existing assets

- National Society of Leadership and Success
  - Participated in activities to learn how to be an effective leader
